§ 178.5 Special notice to former Indian owners.

(a) The Superintendent shall notify the former Indian owners, in writing, at their last known addresses of their right to repurchase the tracts formerly owned by them in those instances where the tracts are outside of the boundaries of the Monument and are outside of the boundaries of the area of the Gunnery Range retained by the Department of the Air Force. Such notice shall include (1) the legal description; (2) the purchase price thereof; (3) the minimum amount of down payment required; (4) a recital that balance of purchase price may be paid in 20 annual installments; (5) the annual rate of interest on unpaid balance; (6) information whether title is to be taken in trust or in fee; and (7) the date by which the executed application to purchase must be received in the office of the Superintendent. A form of application for execution by the former owners shall accompany said notice, said application to include the legal description of the land, purchase price and other pertinent information.

(b) In those instances where the tracts of land or portions thereof are within the boundaries of the area of the Gunnery Range retained by the Department of the Air Force, the Superintendent shall notify the former Indian owners, in writing, at their last known addresses that they may elect to purchase available tracts of land in lieu of the lands formerly owned by them, said lieu lands to be of substantially the same value as the tracts originally owned by them. Such notice shall also advise said former owners that they may, as an alternative, elect to purchase the tracts formerly owned by them at such time as the tracts may be declared excess to the needs of the Department of the Air Force and transferred to the Secretary of the Interior. As to this alternative, no promise or

prediction may be made as to when, or whether, the land may eventually become surplus to the needs of the Department of the Air Force, and the notice shall specifically so state. Such notice shall include (1) the legal description of the land formerly owned by them; (2) the purchase price of the lieu land which price shall be computed on the same basis as though the original tract were available; (3) the minimum amount of down payment required; (4) a recital that balance of purchase price may be paid in 20 annual installments; (5) the annual rate of interest on unpaid balance; (6) information whether title is to be taken in trust or in fee; and (7) the date by which election to purchase lieu lands or wait until lands formerly owned by them are declared excess must be received in the office of the Superintendent. The notice shall be accompanied by a form for execution by the former owner whereby said owner elects to purchase lieu lands or to repurchase the tract formerly owned by said owner when it is declared excess.

(c) In those instances where a tract of land or portion thereof is within the boundaries of the Monument, the Superintendent shall notify the former Indian owner, in writing, at his last known address that he may elect to acquire a life estate in such tract or portion thereof at no cost but subject to the restrictions on use referred to under "Conveyance Documents" (§257.7). Such notice shall include the legal description of the lands formerly owned by him upon which he may acquire a life estate. The notice shall also inform the former owner that he may elect to purchase any available tract of land in lieu of the lands formerly owned by him, said lieu lands to have substantially the same values as the tract originally owned by him. Such notice shall include (1) the purchase price of the lieu land which price shall be computed on the same basis as though the original tract were available for purchase; (2) the minimum amount of down payment required; (3) a recital that balance of purchase price may be paid in 20 annual installments; (4) the annual rate of interest on unpaid balance; (5) information whether title is to be taken in trust or in fee;

and (6) the date by which the election to acquire the life estate or lieu lands must be received in the Office of the Superintendent. Such notice shall be accompanied by a form for execution by the former owner whereby said owner elects to acquire a life estate in the lands formerly owned by said owner or elects to purchase lieu lands.

§ 178.6 Applications by former owners.

(a) Applications by former Indian owners to purchase lands formerly owned by them, or to purchase lieu lands, or to take a life estate in a tract of land within the Monument area should be made on forms furnished by the Superintendent and filed within the period specified in section 3(b) (5) of the Act. Such applications shall be filed in the Office of the Superintendent.

(b) A former non-Indian owner may file application to purchase land pursuant to section 3(b) of the Act within 1 year from the date notice is published in the FEDERAL REGISTER that the land he formerly owned has been declared excess to the needs of the Department of the Air Force and has been transferred to the Secretary. Such application shall be filed in the Office of the Superintendent. The applicant shall furnish proof of his ownership or the ownership of his predecessor in interest at the time of the acquisition of the land by the United States. Upon receipt of an application to purchase and proof of ownership the Superintendent shall cause the land to be appraised and thereafter he shall inform the applicant in writing of the fair market value of the tract which shall be the purchase price, the minimum amount of down payment required, that the balance of the purchase price may be paid in 20 annual installments, and the annual rate of interest on the unpaid balance.

§ 178.7 Conveyance documents.

(a) Where there is an election by a former Indian owner of a tract of land within the monument boundary to acquire a life estate in such tract at no cost the following types of provisions and restrictions shall be applicable to the use thereof:

(1) Agricultural uses are permitted. Only those commercial activities associated with normal agricultural operations would be allowed.

(2) Construction or reconstruction of any roads to the property, including locations and materials used, are subject to approval by the National Park Service.

(3) Mining activities of all kinds are prohibited inasmuch as the United States retains all mineral rights.

The family or assignee of the grantee shall have a reasonable time to vacate the premises upon termination of the life estate and may harvest annual crops planted during the tenure of the estate.

(7) Water rights owned by the United States in the premises remain vested in the United States, but the grantee has a right to reasonable use of the water.

(8) Grantee must observe and adhere to all applicable Federal, State, and local laws and regulations, including Federal laws and regulations for the protection of the black-footed ferret and other wildlife in the Monument. The United States reserves the right to enter upon the conveyed lands to assure such compliance and for the exercise of any other rights and privileges reserved to it.

(9) The conveyed premises must be kept in a neat and orderly condition and no waste or injury may be committed to the land. Pollution of water on or adjacent to the property is prohibited.
